

The WiE Summit in FNWF'2023 : Call for Proposals for Pecha Kucha Talks

Game Changers FOR Sustainable Future Networks: Collaborative Research, Open Innovation, & Open Source

ORGANIZERS:

Pamela Kumar,
Chief Strategic Advisor, IUDX
Celia Shahnaz,
Bangladesh University of Engineering and Technology,
Bangladesh and
2023-24 Chair, IEEE Women in Engineering Committee
Laxmi Mukund,
Principal Engineer, Cisco
Monisha Ghosh,
University of Notre Dame, USA

The **2023 IEEE Future Networks World Forum (FNWF'23)** will continue the path set in 2018 by the IEEE 5G World Forum in bringing together experts from industry, academia, and research to exchange their vision as well as their achieved advances in the continuing evolution of network technology, including 5G, 6G, and other innovative cross-domain breakthroughs. This IEEE WIE Summit in FNWF'23, with the theme **Game Changers for Sustainable Future Networks: Collaborative Research, Open Innovation, & Open Source** in particular, looks forward to deliberating on the role of Open Forums in Future Networks, Sustainability as the core of future networks and the barriers and challenges for Collaborative Innovation and Research. We will have invited keynotes, call for proposals for “Pecha-Kucha” talks, and curated panel discussions. There will be a special focus on diversity, equity, and inclusion (DEI).

PROPOSAL SUBMISSION FORMAT

IMPORTANT DATES:

Submission:
15 October 2023
Notification: Rolling basis

The summit solicits proposals for ideas, thoughts, or discussions in the following areas:

- Collaborative Innovation and Research
- Open Innovation
- Open Source

- All papers/proposals should be submitted via **EDAS**.
- It is recommended that at least one author should be a woman.
- Each author of the accepted proposal will be presented with a certificate from the conference.
- The authors of the accepted authors at the main conference will be invited to present the same in this session as well in the suggested format.
- There will be no need for a camera-ready version of the submission. The presenter will need to upload an abstract and the Pecha Kucha-styled presentation in PDF format not exceeding 50MB.
